

West Yost Associates Recognized as an A+ Employer!

On October 29, 2009, West Yost Associates (West Yost) received a 2009 A+ Employers/Employees' Choice Award from the Sacramento Business Journal. West Yost was ranked 6th among medium size businesses (categorized by 51-150 employees) in the Greater Sacramento Area.

The 2009 A+ Employers/Employees' Choice Awards rank employers in the Sacramento area based on results from anonymous staff surveys. The winners are selected from tabulated rankings of employee surveys which asked employees to rank their employers in areas such as team effectiveness, retention risk, alignment with goals, individual contribution, and manager effectiveness.

At West Yost, we are a group of hard working people with a passion for water, wastewater, and stormwater engineering. Being able to work hard doing what we love with people we enjoy and respect makes for a rewarding and fun environment. West Yost is not just happy hours and social events, we are:

- A place that provides intellectual stimulation and challenging work
- A dynamic working environment, where every day is different
- A team-oriented atmosphere that feels a bit like family

“West Yost has a long, solid history of providing a stimulating and exciting place to work” — West Yost CFO, Elizabeth Nilsen in the Sacramento Business Journal's awards publication.

Thank you to our employees for nominating us, and for continuing to make West Yost a great place to work!
