25 Years of Service

Center for Human Services, Modesto

April 2016

As part of our 25 Years of Service Program, West Yost Associates invited clients to tell us what charitable organizations matter in their communities. The City of Modesto recommended helping the Center for Human Services. The Center for Human Services serves tens of thousands of children, individuals and families annually in Stanislaus County. Their mission is to change lives and build futures through programs that strengthen and support youth and families. In April, West Yost made a monetary donation to the Center for Human Services and donated 28 new towels which were needed for their shelter facilities.

“Thank you! You are all so generous and we are so appreciative. This will make a big difference.”

Kate Trompetter, Development & Communications Director, Center For Human Services, Modesto, CA

ABOUT 25 YEARS OF SERVICE: West Yost Associates is celebrating our 25 year anniversary by rolling up our sleeves and getting to work. We've invited clients and staff to tell us what charitable organizations matter in their communities. The program donates \$250.00 to each of the 25 charities identified and West Yost staff will donate time and talents as applicable.
