

## West Yost Speakers and Moderators

### Tuesday 4.17 ■ Pre-Conference Workshops (8:30 AM – 3:30 PM)

#### W6: Take It To The Next Level: Elevate Your Collection System Asset Management Program

**CHAIR AND FACILITATOR:** Lani Good, West Yost Associates

Asset management is a journey, not a destination. Take your collection system program to the next level through staff buy-in and accountability. Discover ways to utilize software tools, get more from maintenance data and turn CCTV data into actions.

#### W3: Co-Digestion: The Latest on Drivers, Sources, Science and User Experience

**CHAIR AND SPEAKER:** Greg Chung, West Yost Associates

Workshop is designed to provide the latest information on the drivers for co-digestion of high strength organics at publicly owned wastewater treatment plants from the perspective of sources, science, and users. Attendees will be engaged in hands on activities to help with next steps in advocating and investigating a program.

## Conference Learning

### Wednesday, April 18

#### 10:00 AM – 10:50 Track: Lateral Management

**Reach Further into Your Sewers Uncovering Sewer Laterals, How to Optimize Your Lateral Strategy:** Lani Good, West Yost Associates

#### 2:00 – 4:00 Track: CASA Biosolids Deep Dive: Goodbye Landfills, Hello Reuse

**Track Facilitator:** Greg Chung, West Yost Associates

#### Agricultural Reuse of Biosolids from an Array of Perspectives:

Kathryn Gies, West Yost Associates

This facilitated discussion is geared toward understanding what restrictions, new opportunities, and foreign experiences are driving change across the biosolids industry. This is a dynamic panel discussion that includes thought leaders that will provide perspectives on regulatory, land restoration, crop production and soil enhancement.

#### 2:10 – 4:00 Track: Asset Management: Being Proactive Prevents Disaster

**How to Assess Your Pump Stations:**  
Lani Good, West Yost Associates

### Thursday, April 19

#### 1:40 – 4:50 Track: Water/Wastewater Cybersecurity

#### Real-World Impacts of Cyberattacks — Hacking Demonstration and Risk Mitigation Discussion:

Daniel Groves and Joel Cox, West Yost Associates

#### 2:50 – 3:40 Track: Optimizing Secondary Treatment Performance in Existing Plants

#### Retrofitting Oxidation Ditches to Achieve Simultaneous Nitrification and Denitrification:

Andy Smith and Kathryn Gies, West Yost Associates

### Friday April 20

#### 8:50 – 9:40 Track: Collection Systems: Succeeding in a World of Climate Extremes

#### Drought and Drought Recover Conditions on Sewer Flow and Inflow/Infiltration:

Nasim Shojaei, West Yost Associates

#### Women Impacting Water Networking Breakfast

Wednesday, April 18, 7:00 - 8:15 AM

Come build your network while enjoying breakfast. Make connections with people you will see throughout the conference. At the Sacramento Convention Center: Facilitator Kathryn Gies, West Yost Associates
